RE:SAFETY ADVISORY – KENMORE GAS GRILLS

TORONTO, ON – July 29, 2009 - Sears Canada has been advised by Fiesta Gas Grills LLC of a potential safety hazard relating to certain Kenmore Gas Grills. It has been discovered that if the barbeque grill is not assembled properly, the burner hose may be exposed to excessive heat, posing a fire and burn hazard.

The affected products were sold at Sears Canada retail stores as well as through the Sears Canada catalogue between March 2007 and December 2007. The affected model numbers and corresponding Sears item numbers are as follows.

Sears Item #	Fiesta MFG#	Description	Regular Selling Price
30744	C172-30744	Liquid propane model	\$599.99
30754	C172-30754	Natural gas model	\$649.99

The affected model numbers can be located on a rating plate on the rear of the grill and the Sears item number is printed on the sales receipt

Neither Sears Canada nor Health Canada have received reports of injuries or incidents related to the use of these barbeques.

In the interest of consumer safety, Sears Canada urges customers who own the affected gas grill to cease use immediately and contact Fiesta at 1-866-956-0396, Monday through Friday between 8:00 AM and 5:00 PM ET., for information on how to obtain a free grease pan assembly and instructions for installing the parts.

Sears Canada will be posting signs in all of its retail stores to advise customers of this safety advisory. Sears Canada is bringing this matter to the public's attention in the interest of consumer safety and apologizes for any inconvenience.

Sears Canada is a multi-channel retailer with a network of 198 corporate stores, 193 dealer stores, 40 home improvement showrooms, over 1,800 catalogue merchandise pick-up locations, 108 Sears Travel offices and a nationwide home maintenance, repair, and installation network. The Company also publishes Canada's most extensive general merchandise catalogue and offers shopping online at www.sears.ca.
