

Safety Notice

Eddie Bauer Soothe and Sway Play Yard

Montreal, May 2009 —Dorel Distribution Canada is issuing a voluntary public notice for the **bassinet portion only** of the Eddie Bauer Soothe and Sway play yard model numbers 05044CFRK, 05044CSNW and 05044CWPR. The Eddie Bauer Soothe & Sway Play Yard is a portable play yard sold with a rocking bassinet, built-in changing station and a mobile with three teddy bears.

Only play yards manufactured **prior** to December 31st 2008 are affected by this public notice. Both the model number and the date code can be found on the sewn- in warning label located at the bottom of the play yard.

The rocking bassinet attachment can tilt, causing the infant to roll to one side. The infant can become wedged in the corner or pressed against the side of the bassinet, presenting a risk of suffocation or positional asphyxiation.

The US Consumer Product Safety Commission has received 10 reports of infants rolling to the sides of the bassinet, with no injuries. Neither Health Canada nor Dorel Distribution Canada has received any reports of incidents or injuries related to use of this product.

Remedy

Consumers should immediately stop using the bassinet portion of the play yard and contact the company by visiting the website for complete details at http://www.djgusa.com/safety_notice/ or contact Dorel Juvenile Group at (888) 233-4903 between 8 a.m. and 4:30 p.m. Monday through Friday.

Consumers should not return product to retail stores.

Bassinet Portion
