

## *Recall Notice*

### **Date**

February 2009

### **Product Name**

Evenflo® ExerSaucer® Triple Fun™ Stationary Activity Center

### **Full Product Description**

This recall involves Evenflo® ExerSaucer® Triple Fun™ Stationary Activity Center. The product is a three stage activity centre that rocks, spins and bounces. The stationary activity center has three height adjustments, can fold up with a carry handle, and can swing out to become an activity table with 9 attached toys. Affected product can be identified by model number 6231711C and UPC 032884146468, or model number 6231711 and UPC 032884142675.

### **Hazard Identified**

When used as an activity table, the cap on one end of the product can loosen and fall off, posing a fall hazard to a young child.

Evenflo has received 11 reports of dislodged end caps which resulted in nine minor injuries, including bumps and bruises. Four out of the 11 reports were reported to Evenflo by Canadian customers with a report of a dislodged end cap that resulted in a child suffering a broken collarbone in Canada.

Health Canada has not received any reports of incidents or injuries to Canadians related to the use of the Evenflo® ExerSaucer® Triple Fun™.
