SEARS MY ADVANTAGE TERMS AND CONDITIONS As of June 1, 2010. FOR NEW MEMBERS:

For your convenience, there is a 60 day trial period to experience the benefits of the *My Advantage* club. If you choose to cancel within that timeframe, a refund of \$24.99 plus taxes will be posted to your account within 1-2 business days.

If you choose to cancel, your membership along with the coupon booklet you received in your Membership Welcome Kit will no longer be valid - please discard. To cancel, call 1-800-356-8381.

Canadian orders only. Your *My Advantage* membership must be purchased on your Sears MasterCard or Sears Card. No other cash or card tenders will be accepted. *The \$5 cash card you received in your Membership Welcome Kit remains active for the length of the 60 trial period.

FOR RENEWING MEMBERS: For your convenience, your membership will continue to renew automatically and the annual fee will be billed to your Sears® MasterCard® or Sears Card each year. For more information, please call us toll free at 1-800-356-8381.

COUPONS: At the onset of your membership, and at every anniversary date, you will receive a Membership Welcome Kit containing valuable coupons. These coupons will contain unique expiry dates that do not necessarily coincide with your membership start and end date. You will also receive even more coupons throughout the year in your quarterly *My Advantage* magazine.

You must redeem your coupons using your Sears MasterCard or Sears Card.

If you choose to cancel your membership, your magazine subscription(s) will continue until you have received the number of issues for which you were eligible during your membership. Sears reserves the right to change, modify or discontinue the program at any time.
